

KEY KONDITION

KEY244

TECHNICAL BULLETIN

Silicone-Free Automotive Dressing

Description

Key Kondition is a thin, no-touch formula that produces dramatic results *without silicone*. Key Kondition is a self-leveling dressing that is easy to apply and works well on moldings and tires, as well as non-painted rubber vinyl and plastic surfaces.

Benefits

Key Kondition is very versatile and can be sprayed, brushed or sponged on the desired surface. It is an excellent, long-lasting, silicone-free exterior dressing that performs remarkably well and is a great solution for paint shops concerned about silicone contaminants.

- ◆ Non-Silicone
- ◆ Body Shop Safe
- ◆ Works Great on Rubber and Vinyl
- ◆ Brightens Door Jams
- ◆ Pleasant Scent

Directions

- ◆ Use with a tank sprayer or pressurized container for even application

Sizes

Quart, Gallon
